Welcome to Grade 1 and 2 in Room 108!

Tuesday September 5, 2017

Dear Families,

The first day back to school is always an exciting day for you and your child! Please check the website for info re: news & calendar, but I wanted to give you some quick information about life in Room 108.

Communication

I tweet regularly! If you do not have an account (it's easy to sign up!), or please check the Twitter Widget on my website for an archive of tweets.

Some communication from the office or class will be sent home in your child's labeled, yellow Home Notes Folder. Please ensure that the folder is returned to school everyday with your child. It will remain at school until notes need to be sent home. Emails will be sent from either me or our class rep; please visit the website to complete the online Family Questionnaire as soon as possible so you can start getting our news!

Entry / Exit Routines

Students will line up when the entry bell rings at 8:50 and will be picked up at the Middle Schoolyard Door. Should your child be late, please sign your child in at the office before sending them to our room. We will also use the middle doors for dismissal at the end of the day at 3:20; we meet near the painted white circle.

Lunch Routines: 11:35a.m. – 12:30p.m.

Junction Daycare will be dismissed as an independent group; students going home will be dropped off at the main office; lunchroom students will be walked to the lunchroom as a class. Please send nutritious, easy to open foods and a reusable water bottle. Milk can be bought in the lunchroom for 75¢.

Let me know ASAP if your child has any medical concerns or allergies.

I look forward to meeting your families. Please introduce yourself (and re-introduce yourself!) when you can. It's going to be a great year,

Ms. Kelly Fricker
